Elbow Reconstruction:
State-of-the-Art Concepts

November 18 – 19, 2016
OLC Education & Conference Center
Rosemont, IL

Leesa M. Galatz, MD, and April D. Armstrong, MD
Course Directors
Drs. Galatz and Armstrong have created a dynamic educational experience with a world-renowned faculty team. This course provides intensive surgical skills sessions in the lab with faculty guidance on complex elbow procedures. Learn guidelines of the newest techniques as well as evidence-based, innovative management options to best treat patients with difficult to treat elbow injuries.

Course highlights include:
- Elbow Arthroscopy
- Contracture Release
- Biceps and Triceps Tendon Tears
- Medial and Lateral Collateral Ligament Reconstruction
- Complex Elbow Trauma
- Surgical Approaches to the Elbow
- Total Elbow Replacement

Who should take this course?
Orthopaedic surgeons in general and specialty practice who want to build proficiency in their arthroscopic and reconstruction skills for the elbow.

At the conclusion of this course, learners should be able to:
- Perform clinical evaluation of complex elbow disorders
- Choose appropriate patient positioning and operating room setup for advanced surgical procedures
- Demonstrate safe surgical approaches to the elbow
- Manage patients requiring trauma reconstruction including fractures of the distal humerus, radial head, coronoid and olecranon
- Perform adult reconstruction arthroplasty for both trauma and arthritis
- Recognize pitfalls of elbow surgical techniques and how to avoid complications
- Compare new approaches for elbow arthroplasty with traditional techniques
FRIDAY, NOVEMBER 18
Morning 7:00 am – 12:45 pm

ARthroscopy of the Elbow

LECTURES
Elbow Arthroscopy, Set-up, Portals, and Pearls
Arthroscopic Tennis Elbow Release

HANdS-on SKILLS LAB
Basic to Advanced Arthroscopy: Diagnostic Scope, Retractor Placement, Anterior Portals, Tennis Elbow Release, Posterior Portals, Loose Body Removal

LECTURES
Arthroscopic Osteocapsular Arthroplasty for Elbow Arthritis
Osteochondritis Dissecans – Diagnostic Considerations and Arthroscopic Treatment

PRE-RECORDED VIDEO DEMONSTRATION
Advanced Arthroscopy: Capsular Release and Debridement – Tips and Pearls

HANdS-on SKILLS LAB
Elbow Arthroscopy Round 2: Capsular Release, Osteocapsular Arthroplasty

LECTURES
My Open Contracture Release Technique for Stiff Elbow After Trauma
My Approach to Radioulnar Synostosis

Afternoon 1:15 pm – 5:00 pm

SOFT TISSUE RECONSTRUCTION IN THE ELBOW

LECTURES
Distal Biceps and Triceps Tendon Repair: One Incision Technique, Two Incision Technique, Triceps Tendon Repair Technique
Lateral Collateral Ligament Reconstruction
Medial Collateral Ligament Reconstruction
My Approach to the Ulnar Nerve

HANdS-on SKILLS LAB
Tendon and Ligament Repair of the Elbow: Distal Biceps, Triceps, LUCL Reconstruction, MCL Reconstruction, Ulnar Nerve Release

FRACTURE CASE PRESENTATION
Coronoid, Terrible Triad, Radial Head

SATURDAY, NOVEMBER 19
Morning 7:00 am – 1:00 pm

FRACTURES AND ARTHROPLASTY

LECTURES
Proximal Ulna Fractures: Monteggia vs. Transolecranon
Complex Elbow Instability
DEBATE: TOTAL ELBOW ARTHROPLASTY – TRICEPS ON VS. OFF
LECTURE
Distal Humerus Fractures – My Approach and What I Have Learned

PRE-RECORDED VIDEO DEMONSTRATIONS
Lateral Approaches to the Elbow (Column, Kocher, and Extensor Split)
Radial Head Replacement
Medial Approaches to the Elbow

FACULTY SURGICAL DEMONSTRATIONS
The Triceps On Approach to Total Elbow Replacement

HANdS-on SKILLS LAB
Elbow Fractures and Total Elbow Arthroplasty: Anatomical Dissection

CME: 14.75 Total Credits of Category 1 CME
Course participants are required to complete an online evaluation form to receive CME credit. AAOS members: Your transcript will list your CME credit for participation in this CME course approximately four weeks following the course.
David Ring, MD, PhD, and Scott Steinmann, MD

Editors

Techniques, tips, and strategies from more than 35 leading surgeons. Step-by-step guidance through 30+ surgical challenges.

List price: $319.00 $255.20
AAOS/ASES member price: $299.25 $191.40
Resident/U.S. military price: $175.45 $140.35

*Discount expires 12/16/16

For a complete list of faculty and to register, visit www.aaos.org/3266

Please note: Course faculty subject to change. All faculty members have disclosed potential conflicts of interest. These disclosures can be viewed online at www.aaos.org under ‘Member Services’.
AAOS/ASES Member/Candidate Member/International Member/Emeritus Member $1,669
Nonmember Orthopaedic Surgeon/International Nonmember $2,069
AAOS/ASES Resident Member/Resident/Post-Residency Fellow/Military* $1,469
*For AAOS/ASES members in active U.S. military duty only

Course Tuition
Registration fee includes course materials, electronic syllabus, and refreshment breaks. Lunches are included for full-day sessions only.

Lab Partner Request
Please provide the full name of your preferred lab partner for this course (if any).

How to Register:
1. Online at aaos.org/3266
2. Call AAOS Customer Service at 1-800-626-6726 from 8:00 am to 5:00 pm CT. Outside U.S. dial +1-847-823-7186.
3. Print registration form at aaos.org/3266. Mail the completed form to AAOS, 9400 W. Higgins Rd., Rosemont, IL 60018. Or fax to 1-800-823-8025. Outside U.S. fax to +1-847-823-8125.

Hotel
Hampton Inn & Suites
9480 W. Higgins Road
Rosemont, IL 60018
Phone: 1-847-692-3000

Housing Reservation Deadline
November 3, 2016

Room Rate
$125/night (plus applicable taxes)
Single or Double occupancy

Accreditation Statement
The American Academy of Orthopaedic Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

AMA Credit Designation Statement
AAOS designates this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Obtaining CME Credit
Course participants must complete and submit an online evaluation form to receive CME credit.

Priority code: 2596
Register today. Call AAOS Customer Service at 1-800-626-6726.
