April 18 – 22, 2017
Chicago, IL

A. Jay Khanna, MD and Francis H. Shen, MD, Course Directors

aaos.org/BoardPrep
Dedicate 4.5 days to intensive and focused review sessions designed specifically to help you pass the most important exam of your career — the first time.

Faculty draw on material based on common test questions to lead you through the enormous amount of content for each specialty area. This focused approach includes dedicated time for high-yield review sessions to re-cap the most important testable facts and concepts.

This unique blended learning program is the exclusive course with pre- and post-event online access, to study the content and build your confidence at your convenience and at your own pace.

Access the pre-course companion website in January!

- **10 recorded webinars** on study topics across orthopaedics
- **Online high-yield videos:** 8 sessions on key study points for each orthopaedic specialty area
- **Download the PDF syllabus** 1 week prior to the course

Extra post-course content, exclusively from AAOS:

- **200 self-assessment questions** — Accessible from May – July
- **Over 1,000 test questions** — from 2010-2013 OSIE exams: answers and discussion
- **Free registration** for the live webinar on June 15: *Test Questions – Analyze to Answer Strategies*

If you are taking Part 1 of the Board Exam in 2017, this course should be part of your study plan. Fourth year residents can also gain valuable insights for your final year of residency.

Access all online content through July 31!

- Recorded Webinars
- High-Yield Videos
- Study Questions
- Self-Assessment Exam
- Pathology Review Series
- Syllabus Files

The American Board of Orthopaedic Surgery (ABOS) does not provide content or material for this educational program.

**Accreditation Statement**
The American Academy of Orthopaedic Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

**AMA Credit Designation Statement**
AAOS designates this live activity for a maximum of 47.25 **AMA PRA Category 1 Credits™**. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

**Obtaining CME Credit**
Course participants must complete and submit an online evaluation form to receive CME credit.

“On the advice of a colleague, I attended the AAOS Board Prep course last year. I reviewed the material they presented over and over. Happy to say that I passed the Board Exam by an easy margin and I owe a lot of credit to this course.” – *A 2016 Attendee*
