Guarantee to Pass
AAOS Board Maintenance of Certification Preparation and Review: General
November 2-4 | Course #3058

What is the Guarantee to Pass? *
The Academy’s Guarantee to Pass offer gives you the confidence that we will support your learning to prepare and pass the written portion of your MOC exam.

If you do not pass the written portion of your MOC exam, you may attend the same MOC review course in 2018 free of charge. Simply notify the AAOS by August 1, 2018 if you plan to re-take the course in 2018. Please note that the course format and logistics are subject to change.

Additional AAOS Resources to Prepare for the Exam
In addition to attending the course and reviewing the exclusive study resources included with your registration, you may want to consider supplementing your study plan with the following content to best prepare for the General exam.

- Read:
  - Comprehensive Orthopaedic Review 2
  - Orthopaedic Knowledge Update 11
  - Orthopaedic Knowledge Update 12

- Select AAOS self-assessment exams to test yourself and practice answering questions online
  - OKU 12 Self-Assessment Examination
  - List of other focused examinations

- Attend the March 2018 Annual Meeting to help address remaining knowledge gaps

ABOS Resources
- ABOS General Recertification Examination Blueprint
- Videos to Help Prepare for Recertification Application and Examination
- Examination Tutorial
- Frequently Asked Questions
